Greatest Alumni Problem Is Genuine Loyalty!

By Virgil Lawyer, BA'46

It is an honor to be granted the privilege of writing my fellow alumni by way of this column. The greatest problem facing Harding Alumni is not raising money or getting students for the school. It is LOYALTY! Money is easy to raise and students are easy to persuade when we feel a deep devotion and loyalty to the institution which has helped to shape our lives for good.

While in the process of writing this editorial, I had the privilege of hearing Jimmy Allen present an inspiring chapel talk. Jimmy's theme touched on this subject of loyalty.

Jimmy Allen helps to illustrate the point I am trying to make. Jimmy came to Harding a self-admitted smart aleck and with a chip on his shoulder. Rather than his teachers slapping him down and "putting him in his place," they gently revealed through their own lives the "better way."

Why aren't all Harding students as grateful as Jimmy Allen? Why do some of our graduates leave, succeed in their chosen careers with the tools Harding equipped them with, then fail to send a dollar per year to the Alumni fund? I can answer neither of the above questions.

Loyalty must come from within. It can-

not be forced or made mandatory. What you do for Harding you will do because you desire to do it.

When I see twenty-five or thirty young people on their way to the county poor farm each Sunday afternoon; when I see the Personal Evangelism Class attended by over two hundred people on Monday evening; when I see the Student Union walls covered with signs advertising our various mission clubs; then I know that Harding is still the same place of service and dedication that it was twenty or forty years ago.

ANALYSIS OF ALUMNI GIVING FOR 1961-62

	Number	Percent
Graduates	954	38.6
Ex-students	512	14.2
Total Contributors	1466	24.1
Total Gifts	\$29,251.29	

The percentage of alumni giving during 1960-61 rose 4.6 percent over the previous year. This is a good increase. The total cash gift is somewhat less encouraging.

Top honors for classes go to the class of 1926 with 100 percent giving; the class of 1962 with 96 percent; the class of 1930 with 69 percent; the class of 1944 with 53 percent; and tied for fifth place with 50 percent each were the classes of 1925, 1945 and 1946.
